Coalition Governments in Western Europe

A coalition government is a cabinet of a parliamentary government in which several parties cooperate. The usual reason given for this arrangement is that no party on its own can achieve a majority in the parliament. A coalition government might also be created in a time of national difficulty or crisis, for example during wartime, to give a government the high degree of perceived political ...

Coalition government in Western Europe (Book, 1983 ...

The duration and type of coalition governments in twelve European countries in the period 1945–1986 are considered. It is argued that the distribution of party size, on a one-dimensional policy dimension, gives an indication of the qualitative features of the bargaining process between parties and that this determines the type of coalition that forms and the average duration of government.

Stability of coalition governments in Western Europe: 1945 ...

Coalition Governments in Western Europe is the most comprehensive empirical analysis to date of coalition politics. Based on a large cross-national data collection, covering the entire post-war period from 1945 to 1999, it is the first systematic study of institutions of governance and conflict resolution in coalition governments.

Coalition government among different political parties is the way most European democracies are governed. Traditionally, the study of coalition politics has been focused on Western Europe. Coalition governance in Central Eastern Europe brings the study of the full coalition life-cycle to a region that has undergone tremendous political transformation, but which has not been studied from this perspective.

Coalition Governance in Central Eastern Europe | ERDDA

The coalition may use day-to-day policy and discourse to enact a more assertive pro-Serbian, pro-Russian, anti-NATO, and anti-Western politics. Yet it is not at all evident that such a heterogenous association of broad coalitions with conflicting ideological backgrounds will indeed uphold these core policies, which in many ways contradict the ...
