More recently, he has been recruited by Crytek as a writer and art consultant on Crysis 2. Technological elements from Blindsight have been referenced in the fictional Crysis 2 "Nanosuit Brochure"; the creative director of BioShock 2 has cited Watts's work as an influence on that game. Personal life

The work requires long-term unemployment and it will be a fight for survival for them all. The crew will be lead by Lenie Clarke who can barely survive in the upper world, but finds herself quickly drawn into the rift's spell. Watts is best known for the Firefall series and the first book, Blindsight.
