The (free) multimedia book that resulted is The Motivation Equation: Designing Lessons that Set Kids' Minds on Fire — take a look here. We looked closely at classroom learning experiences that the teachers considered very successful in terms of their students' motivation and mastery.

Fires in the Mind | What does it take to be really good?

Fire in Mind is an incredible book written by Arjay Lewis! This book drew me in from the very first page and I admit I had a very difficult time putting it down. The plot was very well developed and had a very nice twists hidden within that the author unraveled throughout the story. The pace of the book was just plain perfect.

Fire in the Mind (Doctor Wise Book 1) by Arjay Lewis

Fire in the Minds of Men by James H. Billington is an extremely dense book with large ambitions. It is full of much remarkable anecdotal material, the sum of which, however, does not add up to a...
