The practice of guided reading is based on the belief that the optimal learning for a reader occurs when they are assisted by an educator, or expert 'other', to read and understand a text with clear but limited guidance. Guided reading allows students to practise and consolidate effective reading strategies.

Guided reading

Use headings and transition words to identify relationships in the text. Create a vocabulary list of other unfamiliar words to define later. Try to infer unfamiliar words' meanings by identifying their relationship to the main idea. Connect the text to what you already know about the topic.
