Heroes of pharmacy : professional leadership in times of ...

Most pharmacy schools do not teach pharmacists how to become leaders. There is a big difference between holding a leadership position in the pharmacy setting and actually being a leader. In the past 15 years, I have found that leadership is a rare quality in our profession, mostly because we learn from other pharmacy managers who were not ...

Leadership skills for a high-performance pharmacy practice

1. Effective pharmacy managers serves the Board of Pharmacy. Pharmacy managers serve the Board of Pharmacy by maintaining familiarity with the various state and federal laws pertaining to the practice of pharmacy. The pharmacy manager seeks to uphold those regulations by helping the team be compliant in the interest of public safety.
