Graham v. Connor, 490 U.S. 386 (1989), was a United States Supreme Court case where the Court determined that an objective reasonableness standard should apply to a civilian's claim that law enforcement officials used excessive force in the course of making an arrest, investigatory stop, or other "seizure" of his person.

**Graham v. Connor - Wikipedia**

Lethal Weapon started life as a screenplay by Shane Black which revolved around two mismatched cops having to work together to solve a mystery. Mel Gibson and Danny Glover were cast as Riggs and Murtaugh respectively in the 1987 action movie, and due to the chemistry of the two leads, the witty script and exciting action, it became a smash hit.
