### **Writer's Legal Guide - The Authors Guild**

A writer who signs a literary agency agreement or a book publishing contract without having it reviewed and negotiated by a literary rights or publishing attorney risks not having any idea how the terms contained in a ten to thirty page publishing contract can harm them. Scams abound in the publishing world and writers need to be aware before they sign a contract that obligates them to pay to have their book published and to purchase their own books.

Make sure your royalties meet industry standards and can't be severely reduced by special deals that can allow the publisher to offer deep discounts at your expense. Include an audit clause in your contract so that you or your representative can examine the publisher's sales records in connection with your work.

### **Improving Your Book Contract - The Authors Guild**

A style guide, or style manual, is a set of standards for the writing and design of documents, either for general use or for a specific publication, organization or field. The implementation of a style guide provides uniformity in style and formatting within a document and across multiple documents. A set of standards for a specific organization is often known as "house style".
