How to Answer It. This question requires a bit more preparing on your part than a typical interview question. If you have an example lesson from a previous role (whether you were a teacher or taught something to someone at work), that's great. If not, consider whipping up a quick lesson plan you might like to give.

### **15 Common Interview Questions for Teachers (Plus Answers ...**

Thankfully, hiring managers are often not the most creative people when it comes to thinking up questions, meaning there are a number of typical interview questions in their arsenals that get reused. This makes it easier to plan your answers, rid yourself of nerves and, therefore, help you to present yourself in a calm and effective manner.
