Social experiments : evaluating public programs with ...

The power of social experiments to assess different policies, procedures and programs on individuals is unsurpassed -- provided the appropriate procedures to ensure the integrity of the social experiment are followed. Larry Orr's book is an excellent resource for those planning a social experiment.

Orr: Social Experiments Evaluating Public Programs with ...

Social experimentation and program evaluation are at the very heart of public policy analysis and hence, evidence-based policy making. However, no one can "speak truth to powers" with poorly executed, misleading and/or incorrect "evidence." This volume examines the theory and conduct of evaluations.

Social Experimentation, Program Evaluation, and Public ...

review previous use of social experiments in workforce evaluation. Our review provides guidance in thinking about what kinds of experiments should be conducted in the future. By examining the target groups and the types of programs that have previously been the subject of social experiments, we can also identify areas where major gaps remain.

Use of Experimental Methods in Workforce Evaluations

Social scientists engaged in assessments of delinquency prevention programs, psychotherapeutic and psychopharmacological treatments, public housing programs, educational activities, community organization initiatives, and numerous other initiatives.

An Overview of Program Evaluation

It begins by defining the term and discussing the rationale for using experimental methods to evaluate social policies, practices, and programs. It then discusses the design and analysis of social...
