The new versions were printed as a pair of Omnibus novels. The first omnibus contains The Fallen and Leviathan while the second contains Aerie and Reckoning. The reprinted versions also featured different cover art more in line with that of the final three books. DVD/Movie. Fallen first aired in 2006 and 2007, and released for re-sale in 2010. The movie doesn't follow the same sequence of characters and events as outlined in the novels.

This is actually an omnibus of the first two books of the Fallen series, repackaged as one big volume. The story premise is intriguing, which kept me reading, but in the end, I don't really care. Aaron, the main character, is a pretty boring dude. His dog has more personality (his dog can talk to him, btw).
