### Summary highlights from The Great Work: Our Way into the ...

The Great Work of humanity lies in the future. The means by which such work depends on the following conditions: 1) humanity must recognize its past mistakes, 2) acceptance of a radical change in ecological conscience, and 3) a general commitment to change. Berry's work is interesting in three respects.

### The Great Work Our Way Into The Future By Thomas Berry

The Great Work: Our Way Into the Future. Thomas Berry. 1999. New York. Bell Tower Press. ISBN 0-609-60525-9. Each age has its "great work" according to Berry. The classical period introduced ideas of reason, democracy and philosophy into human consciousness. The medieval period raised great cathedrals, the age of discovery opened lines of travel and communication around the world, but our technological power and its impact on the environment has made a new "great work" essential for the ...
