The Heart's Code: Tapping the Wisdom and Power of Our ...

When we are sick, our healing depends on rebalancing by tapping into our heart's code (our resonation response) which is the life force of all systems. "Cardio-energetic healing is based on this old but increasingly research-supported idea that "dis-ease" is a perturbation of the info-energetic system composed of the brain, the heart, and the 75 trillion cells in our body."

The Heart's Code: Tapping the Wisdom and Power of Our ...

If we are willing to try to combine the best the brain has created, and will create, with the wisdom of the heart's code that may be our soul calling out the cellular memories that give meaning to these creations, we can become much smarter than we have ever been.

Researcher Gregg Braden has dug into the ancient technique of using the heart as an intelligent organ. The functions of the heart go far beyond supporting life and sending blood all throughout the body. It has a wisdom that's not influenced by the ego. As such, it gives you information from a neutral place.
